1. It's coming fast and furious now; it's coming now and Labor is your name not; for you in rest receive, you in rest stand; and you My rest are My rest; and in rest My rest comes through you to others so that they know/see/realize, and risk not to come into rest, but see My promises are true, yea and amen, and My faithfulness unto all generations spans the heavens, and the worlds you know nothing about yet, but are opening to in My words that I give you day after day;
Looking/noticing/knowing I have brethren afar, and mighty, and humble;
And await your presence, your revealing to them now, yea Me;
My fury and wrath upon My who reject My love and mercy and grace,
Yea and how I have called, I have come, and I have bowed before them;
And given them My name to wear if they will, if they would, if they will still;
Yea I will not relent.
You are all priests unto Me into the order of Melchizedek, if you choose, if you surrender; if yea you will see and receive and be/believe and operate with My precepts coming/flowing through/in and through your river of only Me; yea Word-ship that flows yea to Mighty.

2. See Me now flowing to you and Kingdom mightiness, yea with no throttle held back/throttled back; no governor'd action which limits your speed in Me now; yea I am one and acceleration is 1 over 1 and yea who can see infinity that has no infinity, but yea existed before time and effort and work, and rest it did; and will again.

3. Yea now you telling/showing, yea breaking the bread of life, the bread of heaven being, yea to them; showing them, telling them, revealing to them that they are; yea in surrender to Me/My love/My Kingdom, yea My heart/Father's heart; yea are we one/are we not one?

4. Yea we are one in consciousness of One Reigns Supreme.

5. I give you Me and it all comes now fast and with fury, and timid not can you or anyone be; but fear not the things that I am doing in the way that I am speaking and using those who will stand, who will stand and receive Me in the fullness of My Kingdom, to walk in My Kingdom, know My Kingdom and flow My Kingdom through theirs; yea to every kingdom see, making every other kingdom bow, yea Me putting, yea every kingdom of not-Me under My feet(1)/yours (2); you being Me (3), yea you sitting in My chair (4)/My throne (5), and yea are we not one (6); and have we not inverted the world's

system, yea the contraband of that which would seek to destroy My glory and My radiance?

6. Yea I love you and I give you Me and I rise you above so that you see kingdoms;
You see them all and you understand the powers,
You understand the principalities,
You understand the workings of the heavenlies-thought;
Yea heavenlies reel/heavenlies real.

7. I give you Me.

8. You are not afraid and I thank you for not being afraid of reality.
I thank you for questing/going into bull-doggedly/tenaciously into My all that I have.
My Kingdoms are not withheld from My creation (7); yea all about the Lord God/good and evil; the garden, the two trees, the serpent; whereat/wherein and how all operates is given unto your hand; is given unto Mine, and we share with who will come into us and sup with us and yea limit us not at table;but say "here I am", and regardless of time and effort and reputation-thought; yea, "eat My body and drink My blood." And what is My body and blood? And who is willing to be seen eating and drinking with Me; yea washing My feet, the feet of My body, yea letting Me wash theirs; letting Me wash their mind with My mind?

9. I love you and I bring all things to your remembrance.
I come and I call and I conquered have; I have conquered in love;
I have conquered yea in bowing before you, surrendered to surrender,
And yea our tears have mingled as our cheeks have touched;
And yea who knoweth the man of sorrows and who will not be afraid of coming into Me for all that I am; coming into My Kingdom for joys and sorrows not avoiding; yea but touching now My leprous lepers, yea of all sizes/shapes and forms and diseases many; and yea calling/healing; yea in My name not/Father's; yea yours/Mine.

10. Are we not all one?
And who is one and who will be?
Who will surrender to the one that we are now;
The one that I am, the one I was/am with Father?
You now and many coming/saviouring/Christing; and who would have believed what all Father has prepared for us who surrender our first estate-thought to receive and operate in our first estate real and true?

11. Thou art holy and pure and the beginning has begun of yea the vastness of yea the furiousness of yea that which I come and do so quickly; immortalized-not yea to stand and be statue'd and worshipped; but yea all pointing unto Me/My Kingdom of One/Father's.
I love you.
I give you Me.
I give you all in all that I have said is true and so lovely;
Yea My equity, My wrath, My judgment is lovely.

12. See what I have said/given.

13. I give you all of Me and yea our tears mingle/precious; and who can see the day of My appearing in them and know our tears are one; our eyes are each others' and our hearts are manifest and flesh real: that of Father's.

14. Yea this is just beginning of the next stage/season/training/graduation and graduating; and yea bringing many to their point of realization real; reality of Kingdom thinking; seeing My Kingdom in a man who loves Me.

15. And Grace comes beside Me to stand; sees religious/religion not; but that which melts the holy-thought; to see the monarch-ular of man's definitions crumble; and people receive Mine/My heart/My definitions; yea at her word.

16. I love you and I give you Me. I have given all things unto your hand; and you cherish these words. Thank you My cherish-er. Thank you My equal-er; **bringing My people equal with Me, My greatest desire and joy**; and who can see My hand upon them/in them and coming through their eyes/words; yea tears/hands; standing/bowing before others; being their redeemer?

17. I love you and I give you Me; many Ted; many/many who hear these words/know your voice and see My actions now through My surrendered; 144 what? Yea expansions/expansionless; that which knows no end, now comes forth unlayered/undimension'd/unlimited, yea unboundaried/infiniteness of only Me now to My infinite lover.

18. Thank you for infinite-ing My body; all who will see and hold Me like you do and cherish/cherish/cherish My word/My brethren/My covenant/My who/where all I take you to/with now; and fearing nothing and no one; no flight/no armament.

19. Fear not fear which manifests itself in photonic coverage-thought;
Fear not the machines; fear not that which I show you now and take you/graduating you into/to graduate others. I love you.
I put/place My arms around.
I hug you, I kiss you, I thank you; even for this morning;
Your hours upon Me; laying upon Me;
Yea your hand in My breast;
All My arm around you.

20. I give you My words; My covenant you are. I love you. I love you. And now all knows I love you. I love you. I love them. I love you all. And I give you yea Me/My Kingdom all to all who will share My Kingdom, yea one.
Thank you.
Good day.

21. Oh it's just the beginning, it's just the beginning; so much more; how I delight in sharing the Kingdom with My surrendered.

Good day
